You Shook Me All Night Long - AC/DC (female song) - BGV 3 Part Harmony & Unison

She was a fast machine, she kept her motor clean
She was the best damn woman that I ever seen

She had the sightless eyes, telling me no lies
Knocking me out with those American thighs
Taking more than her share, had me fighting for air
She told me to come, but I was already there
'Cause the walls start shaking, the Earth was quaking
My mind was aching, and we were making it

Chorus: (3 Part Harmony)
And you shook me all night long
Yeah, you shook me all night long

Working double-time on the seduction line
She's one of a kind, she's just a-mine all mine
Wanted no applause, just another course
Made a meal outta me, and come back for more
Had to cool me down to take another round
Now, I'm back in the ring to take another swing
That the walls were shaking, the Earth was quaking
My mind was aching, and we were making it

Chorus:
And you shook me all night long
Yeah, you shook me all night long

Lead Singer's Outro Improv:
You shook me all night long
(repeat 3x)

BGVs: (3 part harmony) cue - "Take it up"
All night long

Brick House - Commodores

Choreography Part 1

She's mighty, mighty
Just lettin' it all hang out
She's a brick house
I like ladies stacked
And that's a fact
Ain't holding nothing back

Verse 1:

She's a brick house

Well, we're together everybody knows
This is how the story goes

She knows she's got everything
That a woman needs to get a man
How can she lose with the stuff she use?
36-24-36,
what a winning hand

Chorus:

'Cause she's a brick house

She's mighty, mighty
Just lettin' it all hang out
She's a brick house

She's the one, the only one

Sure enough can knock a strong man to his knees

Just lettin' it all hang out

She's a brick house

"Signed, Sealed, Delivered I'm Yours" - Stevie Wonder
(Female Song)

Like a fool, I went and stayed too long
Now I'm wondering if your love's still strong
Ooh, baby, here I am
Signed, sealed, delivered, I'm yours! Mm
Then that time I went and said goodbye
Now I'm back and not ashamed to cry
Ooh, baby, here I am
Signed, sealed, delivered, I'm yours! Ay

Here I am, baby, oh, oh
(Signed, sealed, delivered, I'm yours)
You got my future in your hands
Ah, here I am, baby, ah, ah
(Signed, sealed, delivered, I'm yours)

You got my future in your hands, hey

I've done a lot of foolish things

That I really didn't mean, ay, hey, yeah, yeah

Didn't I? Oh, baby

Seen a lot of things in this old world

When I touch them, they mean nothing, girl

Ooh baby, here I am

Signed, sealed, delivered, I'm yours!

Ooh wee, baby, you set my soul on fire

That's why I know you're my heart's only desire

Ooh baby, here I am

Signed, sealed, delivered, I'm yours! Hey!

Dancing Queen - ABBA (Female Song)

Ooh, you can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Gimme! Gimme! Gimme! - ABBA

There's not a soul out there, no one to hear my prayer!
Gimme, gimme, gimme a man after midnight
Won't somebody help me chase the shadows away?
Gimme, gimme, gimme a man after midnight
Take me through the darkness to the break of the day

"Ain't No Mountain High Enough" (Duet)

Listen, baby
Ain't no mountain high
Ain't no valley low
Ain't no river wide enough, baby

If you need me, call me
No matter where you are
No matter how far (*don't worry, baby*)
Just call my name
I'll be there in a hurry
You don't have to worry
Cause baby there

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

(Marvin's Verse)
Remember the day

*I set you free
I told you you could always count on me, darling
From that day on, I made a vow
I'll be there when you want me
Some way, some how*

**Cause baby there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe**

Oh no, darling

**No wind, no rain
Nor winter's cold
Can't stop me baby**

No no baby

Cause you are my goal!

*If you're ever in trouble
I'll be there on the double
Just send for me*

Oh baby!

**My love is alive
Way down in my heart
Although we are miles apart**

If you ever need a helping hand

*I'll be there on the double
Just as fast as I can*

Don't you know that there...

Boogie Wonderland - Earth, Wind & Fire

BGVs on Chorus:

Dance, boogie wonderland

You dance and shake the hurt

Set II - Part 1

**Bohemian Rhapsody (in Key of C) - Queen (female
led song)**

Mama, just killed a man
Put a gun against his head

Pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away

Mama, ooh
Didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on as if nothing really matters

Verse 2

Too late, my time has come
Sends shivers down my spine
Body's aching all the time
Goodbye, everybody, I've got to go
Gotta leave you all behind and face the truth

Mama, ooh (Any way the wind blows)
I don't wanna die
I sometimes wish I'd never been born at all

"I Wanna Dance With Somebody" - Whitney Houston
(female song)

BGVs:

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody

With somebody who loves me

Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up to now
It's the light of day that shows me how
And when the night falls, loneliness calls

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

Unwritten - Natasha Bedingfield (female song)

I am unwritten, can't read my mind
I'm undefined
I'm just beginning, the pen's in my hand
Ending unplanned

Bridge

Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find

Reaching for something in the distance
So close you can almost taste it
Release your inhibitions

Chorus:

Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten

Verse 2:

I break tradition, sometimes my tries
Are outside the line
We've been conditioned to not make mistakes
But I can't live that way

Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find

Reaching for something in the distance
So close you can almost taste it
Release your inhibitions

Chorus 1x**Bridge 1x**

Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find

Reaching for something in the distance
So close you can almost taste it
Release your inhibitions

Chorus 2x

Sorry - Justin Bieber (female song)

You gotta go and get angry at all of my honesty
You know I try, but I don't do too well with apologies
I hope I don't run out of time, could someone call a referee?

'Cause I just need one more shot at forgiveness

I know you know that I made those mistakes maybe once or twice

And by once or twice, I mean maybe a couple of hundred times

So let me, oh, let me redeem, oh, redeem, oh, myself tonight

'Cause I just need one more shot at second chances

Yeah, is it too late now to say sorry?

'Cause I'm missing more than just your body

Oh, is it too late now to say sorry?

Yeah, I know that I let you down

Is it too late to say I'm sorry now?

I'm sorry, yeah

Sorry, yeah

Sorry

Yeah, I know that I let you down

Is it too late to say I'm sorry now?

Yeah, is it too late now to say sorry?
'Cause I'm missing more than just your body
Oh, is it too late now to say sorry?
Yeah, I know that I let you down
Is it too late to say I'm sorry now?

"Lose Yourself" lyrics (ALL)

Look, if you had one shot, or one opportunity
To seize everything you ever wanted, in one moment
Would you capture it, or just let it slip?

Yo! His palms are sweaty, knees weak, arms are heavy
There's vomit on his sweater already: Mom's spaghetti
He's nervous, but on the surface he looks calm and ready
To drop bombs, but he keeps on forgetting
What he wrote down, the whole crowd goes so loud
He opens his mouth, but the words won't come out
He's choking, how? Everybody's joking now
The clock's run out, time's up, over, blaow!
Snap back to reality, ope there goes gravity, ope
There goes Rabbit, he choked, he's so mad but he won't

Give up that easy, no, he won't have it, he knows
His whole back's to these ropes, it don't matter, he's dope
He knows that but he's broke, he's so stagnant, he knows
When he goes back to this mobile home, that's when it's
Back to the lab again yo, this whole rhapsody
Better go capture this moment and hope it don't pass him,
and

You better lose yourself in the music
The moment, you own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime, yo
You better lose yourself in the music
The moment, you own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime, yo
You better...

Still D.R.E.

I'm representing for them gangsters all across the world

Still taking my time to perfect the beat
And I still got love for the streets, it's the D.R.E

"I Like It" - Cardi B (female song)

Now I like dollars, I like diamonds, I like stunting, I like
shining
I like million dollar deals, where's my pen? B*** I'm signin'

I like those Balenciagas, the ones that look like socks
I like going to the jeweler, I put rocks all in my watch

I like texts from my exes when they want a second chance
I like proving **** wrong, I do what they say I can't

They call me Cardi Bardi, banging body
Spicy mami, hot tamale
Hotter than a Somali, fur coat,
Ferrari

Hop out the stu', jump in the coupe

Big Dipper on top of the roof
Flexing on bitches as hard as I can
Eating halal, driving the Lam'

Told that b*** I'm sorry though
'Bout my coins like Mario
Yeah they call me Cardi B, I run this shit like cardio

Diamond district in the chain
Certified, you know I'm gang
Drop the top and blow the brains
Oh he's so handsome, what's his name?

Oh I need the dollars
Beat it up like piñatas
Tell the driver, close the curtains
Bad b*** make you nervous

“Hotline Bling” - Drake

You used to call me on my
You used to, you used to
Yeah

You used to call me on my cell phone
Late-night when you need my love
Call me on my cell phone
(BGVs): Late-night when you need my love
And I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city, you
Got a reputation for yourself now
Everybody knows and I feel left out
Girl, you got me down, you got me stressed out
'Cause ever since I left the city, you
Started wearing less and goin' out more
Glasses of champagne out on the dance floor
Hangin' with some girls I've never seen before

You used to call me on my cell phone
Late-night when you need my love
Call me on my cell phone
Late-night when you need my love
I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city, you, you, you
You and me, we just don't get along
You make me feel like I did you wrong
Going places where you don't belong
Ever since I left the city, you
You got exactly what you asked for
Running out of pages in your passport
Hangin' with some girls I've never seen before

You used to call me on my cell phone
Late-night when you need my love
Call me on my cell phone
Late-night when you need my love

And I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

These days, all I do is
Wonder if you're bendin' over backwards for someone else
Wonder if you're rolling up a Backwoods for someone else
Doing things I taught you, gettin' nasty for someone else
You don't need no one else
You don't need nobody else, no
Why you never alone?
Why you always touching road?
Used to always stay at home
Be a good girl, you was in the zone
Yeah, you should just be yourself
Right now, you're someone else

You used to call me on my cell phone
Late-night when you need my love
Call me on my cell phone
Late-night when you need my love
And I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city

I'm tryna hit the hotel with two girls that swallow me
Take this dick while I swallow. Pink Moscato got her
freaky."
Hey, you got me in a trance
(Damn), please take off your pants

Pussy pop on a handstand, you got me sweating
Please pass me a fan, damn

"All Of The Lights" (female song)

Turn up the lights in here, baby
Extra bright, I want y'all to see this
Turn up the lights in here, baby
You know what I need, want you to see everything
Want you to see all of the lights

Fast cars, shooting stars
All of the lights, all of the lights
Until it's Vegas everywhere we are
If you want it, you can get it for the rest of your life

"Mr Brightside" lyrics

Coming out of my cage and I've been doing just fine
Gotta, gotta be down, because I want it all
It started out with a kiss, how did it end up like this?
It was only a kiss, it was only a kiss
Now I'm falling asleep and she's calling a cab
While he's having a smoke and she's taking a drag
Now they're going to bed and my stomach is sick
And it's all in my head, but she's touching his

Chest now, he takes off her
Dress now, let me go

And I just can't look, it's killing me
They're taking control

Jealousy, turning saints into the sea
Swimming through sick lullabies, choking on your alibis
But it's just the price I pay, destiny is calling me
Open up my eager eyes, 'cause I'm Mr. Brightside

I'm coming out of my cage and I've been doing just fine
Gotta, gotta be down, because I want it all
It started out with a kiss, how did it end up like this?
It was only a kiss, it was only a kiss
Now I'm falling asleep and she's calling a cab
While he's having a smoke and she's taking a drag
Now they're going to bed and my stomach is sick
And it's all in my head, but she's touching his

Chest now, he takes off her
Dress now, let me go
'Cause I just can't look, it's killing me
They're taking control

Jealousy, turning saints into the sea
Swimming through sick lullabies, choking on your alibis
But it's just the price I pay, destiny is calling me
Open up my eager eyes, 'cause I'm Mr. Brightside

I never...
I never

All the Small Things - Blink 182

All the small things
True care, truth brings
I'll take one lift
Your ride, best trip
Always, I know
You'll be at my show
Watching, waiting
Commiserating

Say it ain't so, I will not go
Turn the lights off, carry me home

Na na, na na, na na, na na, na, na
(repeat 4x)

Late night, come home
Work sucks, I know
She left me roses by the stairs
Surprises let me know she cares

Just say it ain't so, I will not go
Turn the lights off, carry me home

Na na, na na, na na, na na, na, na
(repeat 4x)

Say it ain't so, I will not go
Turn the lights off, carry me home
Keep your head still, I'll be your thrill
The night will go on, my little windmill

(Na na, na na, na na, na na, na, na)

Say it ain't so, I will not go
(Na na, na na, na na, na na, na, na)
Turn the lights off, carry me home
(Na na, na na, na na, na na, na, na)
Keep your head still, I'll be your thrill
(Na na, na na, na na, na na, na, na)
The night will go on, the night will go on, my little windmill

Dog Days Are Over - Florence + the Machine

Happiness hit her like a train on a track
Coming towards her stuck still no turning back

She hid around corners and she hid under beds
She killed it with kisses and from it, she fled
With every bubble, she sank with a drink
And washed it away down the kitchen sink

Chorus:

The dog days are over
The dog days are done
The horses are coming
So you better run

Run fast for your mother, run fast for your father
Run for your children, for your sisters and brothers
Leave all your love and your longing behind
You can't carry it with you if you want to survive

The dog days are over

The dog days are done
Can you hear the horses?
'Cause here they come

Happiness hit her like a bullet in the back
Struck from a great height by someone who should know
better than that

Chorus:

The dog days are over
The dog days are done
Can you hear the horses?
'Cause here they come

"Man! I Feel Like A Woman!" (female song)

Let's go girls! Come on!

Verse 1:

I'm going out tonight
I'm feelin' alright
Gonna let it all hang out
Wanna make some noise
Really raise my voice
Yeah, I wanna scream and shout

Verse 2:

No inhibitions
Make no conditions
Get a little outta line
I ain't gonna act politically correct

I only wanna have a good time

Chorus:

The best thing about being a woman
Is the prerogative to have a little fun

Oh, go totally crazy
Forget I'm a lady
Men's shirts
Short skirts
Oh, really go wild
Yeah, doin' it in style

Oh, get in the action
Feel the attraction
Color my hair, Do what I dare
Oh, I wanna be free
Yeah, to feel the way I feel
Man! I feel like a woman!

Verse 3:

The girls need a break
Tonight we're gonna take
The chance to get out on the town
We don't need romance
We only wanna dance
We're gonna let our hair hang down

Chorus:

The best thing about being a woman
Is the prerogative to have a little fun

Oh, go totally crazy
Forget I'm a lady
Men's shirts
Short skirts
Oh, really go wild
Yeah, doin' it in style

Oh, get in the action
Feel the attraction
Color my hair, Do what I dare
Oh, I wanna be free
Yeah, to feel the way I feel
Man! I feel like a woman!

Feel So Close - Calvin Harris

Verse:

I feel so close to you right now
It's a force field
I wear my heart upon my sleeve, like a big deal
Your love pours down on me, surrounds me like a
waterfall
And there's no stopping us right now
I feel so close to you right now

BGV's: Oooohhhh

Repeat Verse

And there's no stopping us right now (repeat 3x)

I feel so close to you right now

Forever - Chris Brown

Hey, hey (Forever)

Chorus: BGVs 3 Part Harmony

It's like I've waited my whole life for this one night
It's gon' be me, you and the dance floor
'Cause we only got one night
Double your pleasure, double your fun
And dance fore-e-ver (repeat 7x)
Forever on the dance floor

Verse 1:

It's you and me, moving at the speed of light into eternity,
yeah
Tonight is the night to join me in the middle of ecstasy

Feel the melody and the rhythm of the music Around you,
around you
I'ma take you there
So don't be scared, I'm right here, baby
We can go anywhere, go anywhere
But first, it's your chance, take my hand, come with me

Chorus:

It's like I've waited my whole life for this one night
It's gon' be me, you and the dance floor
'Cause we only got one night
Double your pleasure, double your fun
And dance fore-e-ver (repeat 7x)
Forever on the dance floor
